HYDROSCAND T7011

Product group	110
Color	Black
Cover design	Pin-pricked
Safety factor	1:4
Bundled pipes/hoses	1
Cover tube resistance	Abrasion, Oil
Cover tube material	PU
Max temperature (°C)	100
Reinforcement layers	1
Reinforcement mtrls	Polyester
Min temperature (°C)	-40

This hose is well suited for hydraulics, grease gun systems and gas applications. Due to the inner tube of polyester, the hose will retain its flexibility in cold temperatures. Equivalent to SAE 100 R7.

Part no	Working pressure (MPa)	Bend radius (mm)	ID (inch)	ID (mm)	OD (mm)	Weight (kg)
