

# PVC AIR PRESSURE HOSE, 20 BAR

|                      |                        |
|----------------------|------------------------|
| Product group        | 140                    |
| Color                | Beige                  |
| Cover design         | Smooth                 |
| Media description    | Air pressure, Air      |
| Safety factor        | 1:3                    |
| Bundled pipes/hoses  | 1                      |
| Flat coil            | No                     |
| Inner tube material  | PVC                    |
| Antstatic wire       | No                     |
| Cover tube material  | PVC                    |
| Max temperature (°C) | 60                     |
| Reinforcement layers | No extra reinforcement |
| Reinforcement mtrls  | PE                     |
| Min temperature (°C) | -15                    |

Quality hose for compressed air tools. Extremely flexible, weather resistant and durable. The hose is easy to handle even at low temperatures.

| Part no  | ID (mm) | Length metre per coil | OD (mm) | Bend radius (mm) | Working pressure (MPa) | Weight (kg) |
