

Biofuel hose MK1, ISO 7840 A1, CE

Product group	140
Color	Black
Cover design	Smooth
Safety factor	1:3
Bundled pipes/hoses	1
Media description	Oil and gasoline
Antstatic wire	No
Cover tube material	CSM
Flat coil	No
Inner tube material	FPM
Max temperature (°C)	100
Reinforcement layers	2
Reinforcement mtrls	Textile
Min temperature (°C)	-20

To fuel system were high temperature and biodiesel resistance is required. Fire resistant according to ISO7840 and ISO15540/15541. Type approved and M.E.D certified.

Part no	Bend radius (mm)	Burst pressure (MPa)	Working pressure (MPa)	ID (mm)	Length metre per coil	OD (mm)	Weight (kg)
14328005	40	6	2	7.9	40	14.2	0.23
14328006	50	6	2	9.5	40	16.5	0.25
