

P.T.F.E hose

Product group	110
Safety factor	1:4
Max temperature (°C)	260
Min temperature (°C)	-54

A very flexible high pressure hose due to the convoluted inner tube. The hose is suitable for most installations in demanding environments. Large chemical resistance range, low friction, and wide temperature range. Age resistant.

Part no	Working pressure (MPa)	Bend radius (mm)	ID (inch)	ID (mm)	OD (mm)	Weight (kg)
10910104	15	18	1/4"	6.6	10.4	0.12
10910106	15	20	3/8"	9.5	16.4	0.17
10910108	13.5	25	1/2"	12.7	19.8	0.28
10910110	10	50	5/8"	16	22.6	0.32
10910112	8	65	3/4"	19	26.6	0.45
10910116	5.5	90	1"	25.4	33.7	0.61
