| **Product info** | Automatic cutting machine |
| **Max cutting length (mm)** | 32,000 |
| **Min air pressure (Bar)** | 6 |
| **Blade diameter external (mm)** | 400 |

AutoCut 5-20L is an automatic cutting machine for textile and steel reinforced hoses up to 3/4". It is very easy to use thanks to the touch screen and has excellent length tolerance. Hose Reel and conveyor are optional, available in different design to meet your request. There is also an inductive heating unit available as option used to prevent flaring hose ends when cutting stainless steel reinforced teflon hose.
